Review: Always do your research on what you want. For this to be a newer anthology I found the price to be great! Awesome collection of African American authors/stories. I love books, and anthologies are a great way to introduce yourself to different authors and different perspectives. You may find your new favorite writer in one of these anthologies. I use...

Description: More than seventy poets are represented in this innovative new anthology of African American poetry since the 1960s. This is not just another poetry anthology. It is a gathering of poems that demonstrate what happens when writers in a marginalized community collectively turn from dedicating their writing to political, social, and economic struggles,...
